

LPRTC is hosting a 2 day seminar with Bill Hillmann at Baypoint Kennels in Long Point Ontario on September 7-8, 2013.

Bill and Mary founded Hawkeye Labradors in 1980 and built a foundation of success with High Point Derby dogs in the US. Bill is the author of 'Training Retrievers for Field Trials, Hunt Tests and Hunting'. During the seminar he will share his training methods, using demonstration dogs, to expand your training techniques on:

- Teaching the “Fetch” command
- Teaching and reinforcing the SIT command using his famous “Traffic Cop” method
- Understanding how to use the “Soft Collar” method
- Transitioning from foundation work
- Problem solving, based on feed back from comments on your registration form

For more information, please contact Peter Mottola at (519)-875-4200 or email petermottola@rogers.com. Cost = \$175 per person.

Please visit www.hawkeyemedia.net for information on Bill Hillman and his training .
